EMN  
25 – 27th may 2017**

**Dear Colleagues,**

the **22nd EMN Congress will be hosted in Pavia, Italy, in May 2017 .**

Aims are to develop scientific sharing on recent therapies and methods, assessments and techniques for the treatment of brain and spinal cord injuries,

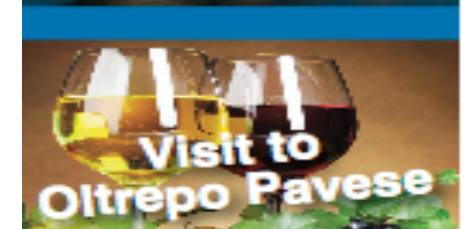

from the acute, neurosurgical settings  
to the rehabilitation and social - work activation.

We planned also, within the Congress, a joint session with the **World Neurorehabilitation Federation (WFNR)** to enhance the scientific sharings.

I do hope to meet as many of You as possible in Pavia next year.

All the best

**Caterina Pistarini**  
President of the Scientific Committee
